24.06.2022

Hello everyone,

What lovely hot weather we had this week! The children coped amazingly well despite the soaring temperatures. Thank you for sending your children in with sun hats, sun lotion and drinks bottles.

New School Football Kits

Our afterschool football club has been such a great success. Miss Logan has sourced some brand-new kits for our two football teams, they have been printed with the school's logo and the Quantock Education Trust. How great do they look?!

Scavenger Hunt

Yesterday, our whole school went on a scavenger hunt!! The children had a great time getting into groups to find, make and build things from their scavenger hunt sheet.

Happiness Club

Lianne has been working hard this week getting the pizza oven up to temperature ready for pizza Fridays! Lianne said "She is excited to see the wonderful pizza creations made by the children. This is all a great way to build life skills, creativity and of course having fun!"

The children have worked very hard growing their own vegetables and as you can see the children couldn't resist a healthy snack after Eco Club.

We hope you all have a great weekend!

Chair of Governors: Mrs A Hammond/Ms T Miller

'Grow in the Grace and Knowledge.'
