Hello everyone,

### Alfoxton class and the mysterious letter....

Earlier this week, Alfoxton class, discovered a mysterious letter. Miss Mold did not want to open the letter because there was no name or address on it. However, the children insisted that the letter needed to be opened and were anxious to see what was inside. To everyone's surprise, they discovered a letter with a strange request. The class need to become journalists, to report the events in our class story. It is about a terrible beast and the dreadful, damage it has done. We are beginning to gather information to help us write our newspaper article. Alfie W said, "I was feeling nervous about the letter because no one had opened it and it looked really old. It could have come from anywhere."

### Swimming

Well done to our Year 3 -6 children who have been attending swimming at Quantock Lodge every Tuesday. Miss Day said, "The children are really engaging and have been working really hard in their lessons."
